

Coats® EcoVerde™ CoatsKnit™

Coats EcoVerde CoatsKnit is a GRS certified 100% recycled Draw Textured Yarn (DTY) with a circular cross sectional filament designed for knitting. Once knitted into fabric, this yarn provides a soft hand-feel and voluminous fabric appearance. What's more, it is sustainably produced for added peace of mind. Coats EcoVerde CoatsKnit is available in both low and high bulk options.

CF83160	150	150d/72f/1	0.45	High	5 - 15	547	24 - 48	Recycled
CF82160	150	150d/72f/1	0.45	Low	2 - 5	547	25 - 36	Recycled

FASTNESS PROPERTIES

Water Fastness	ISO 105 E01	Min. Grade 4
Rub Fastness	ISO 105 X12	Min. Grade 4
Wash Fastness	ISO 105-C10B:2006	Min. Grade 4

Sustainability at Coats

Energy

We reduce carbon emissions through more efficient use of energy and transitioning to renewable sources whenever they become available. This is our crucial contribution to combat climate change.

Materials

With Coats EcoVerde we are driving the material transition away from virgin oil-based sewing threads. And we are on target to achieve 60% sustainable materials by 2026.

Water

The colouration or dyeing process is where we use the most water in our operations. We take great care of water resource by reducing our water intensity and through the installation of water recycling facilities.

Waste

Through all our processes we ensure that we recover, re-use and recycle as much material as possible. Where residual waste product is unavoidable, the waste is processed responsibly and always with the smallest impact on the environment.

People

We have a responsibility to employees, their families, our communities and all the people in our wider supply chain who touch our business. Through policies, programmes and community events, we ensure that safety, wellbeing, fairness, equality, diversity and opportunity are always top of mind for everyone.

Other products in the range

To complement the CoatsKnit range, we also have a selection of specialist CoatsKnit yarns. Each of these have additional benefit specific to the end use.

Product Name	Description
CoatsKnit AWF	A textured filament knitting yarn made with moisture wicking properties.
CoatsKnit Protect	A 100% polyester yarn treated with an anti-microbial / anti-fungal finish.
CoatsKnit Lucence	A drawn textured polyester knitting yarn with a special 'glow in the dark' effect.
CoatsKnit Ultra	A 100% polyester yarn of trilobal cross sectional filament construction, offering high sheen.
CoatsKnit ColTwist	A textured filament yarn that can be twisted with filaments of up to six shades.

Specialist CoatsKnit products are typically available across a select range of ticket sizes and technical information will in some cases vary from the above table.

To drive your hidden costs down, talk to Coats. From product audits in pre-production to the latest technical bulletins, we'll provide support that achieves measurable results.
