ABOUT COATS FOOTWEAR

Coats is the world leader in thread manufacturing and structural components for apparel and footwear, as well as an innovative pioneer in performance materials.

Coats Footwear was formed in 2022 from the existing Coats footwear thread business, Texon and Rhenoflex. Today, Coats Footwear is the global market leader in supplying highly engineered structural components and performance threads to the footwear and lifestyle industry.

From carefully engineered structural components to lifestyle and luxury materials, threads and yarns, our technologies lead the way.
