- High quality leather garments
- T-Shirts
- Post dye garments
- Workwear
- Embroidery & decorative top stitching

#### Textile Care Labeling

The application of Coats products may vary considerably it is the responsibility of the user to assure themselves that the product is suitable for the intended end use & meets end user requirements. This assurance includes but is not limited to dye fastness under all conditions. Coats will not accept liability for unsuitable or improper use or application of products and will not be responsible for any consequential damages caused. Coats threads are manufactured and quality controlled to the highest standards possible. Since the conditions of use, washing, pressing and cleaning etc. vary, the purchaser should assure themselves by preliminary test that the dye fastness of the yarn or thread is 100% colourfast to crocking or washing under all conditions. We cannot be responsible for any consequential damages howsoever caused since the value of the thread is so disproportionate to the value of the goods into which it is stitched.

- We make every effort to ensure continuity of shade however a slight variation in shades can occur in threads made with different raw materials including natural and recycled fibres.
- For Tre Cerchi, Tre Cerchi Vie; please note that these shades are dyed with reactive dyes to achieve the croma and cannot resist bleaching treatment.
